A very Extreme poor class of Irish & Italians (with a few exceptions) – nothing worse to be found. The men would work if they could get it & drink less than their wives – who waste the little that is earned.

Mostly just keeping their heads above water with labour at canals & wharfs — The regular men are paid by the week — 5d per hour is the top rate — hours from 7 to 5 winter & 6 onwards for daylight in summer — may make long days in summer all paid by the hours — except that piece work is taken One man may take the job & shares with others —
