An awful place; the worst street in the division. The inhabitants are mostly of the lowest class, & seem to lack all idea of cleanliness or decency. ^{few of the families have more than one room.} The children are rarely brought up to any kind of work, or loaf about, & no doubt form the nucleus for future generations of thieves & other bad characters. The property is all old; it has been patched up & altered until it is difficult to distinguish one house from

another. Small back yards have been utilized for building additional tenements. The property is in a very bad condition - unsanitary & overcrowded - A ^{the} ~~fine~~ Reeves stated (as a suggestive reason why so little has been done in the way of remedy) that until very recently the rent collector of the property was a brother of the sanitary inspector! A number of the rooms are inhabited by prostitutes of the most pronounced order. The man at 37 & 38 ^{12 Boundary St.} owns part of the property, & a female ^{Miss Alder} is responsible for a considerable part of the remainder.

These streets & courts cluster round or lead out of Old Nicholl SE, & are fitting offshoots of the parent stem. Nothing lower or more wretched can be found. The best of the people are drunken & improvident, & anything given in the way of clothing to the children soon finds its way to the pawnbroker or the "leaving" shop, the publican being the chief gainer by the transaction.

Children 1984-852 families

The people mostly are wretchedly poor, & many are low & blackguardly characters. There are a number of suspicious looking, dirty little ships, who make a profession of dealing in old clothes, remnants, &c. but their owners are a decidedly "fishy" lot. The coffee house is the resort of many of the worst characters in the neighbourhood.

End of Reeves's District.

BRUTALITY TO A GIRL.
At WORSHIP-STREET, on Tuesday, Edward Maxwell was committed for trial charged with beating his daughter, a girl twelve years of age, with the butt-end of a whip, because she had failed to find an article which had been mislaid. A woman, who examined the child after the alleged assault, swore that blood was running from one of the girl's shoulders, and a medical witness deposed that he found about twenty discoloured bruises on the child's back.

This man & his wife can earn £2 a week between them. The house rent is 7/6; a grown son pays him 5/- for a room & standing for his room (being also a weaver), & a brother pays him 2/- for the front room. A son (19) is in regular work at a barbers; a boy of school age works at a barbers all day Saturday & Sunday; a girl (16) earns 7/6 at Kent's brick factory; another girl (14) earns 2/6; & even the girl of school age has been sent out to nurse a baby, the visitor being told she was ill. The parents & 5 children live & sleep in the workshop, living practically rent free. Yet these people are always on the look out for anything to be "picked up" - such as Xmas charities, children's free dinners, &c. The money is largely squandered in drink. (Information obtained from next door neighbour, who worked for some years for same firm as this man (Mr Terry, Approach Rd., opposite approach pub house), who still works for the firm.)

lived with poverty. A decent lot of houses & rather nice street.

 a decent street, mostly comf. working class.
 The houses are old, as a rule, but are being
 rebuilt as leases fall in. The rent of the
 weaver's houses is being raised to 8/- for new
 tenants. About 12 to 15 years ago it was 3/6, &
 a few old couples only pay that now. As the
 old tenants (mostly weavers) die off, their places
 are taken by a poorer class - so the result is poorer
 people paying higher rents
