It there is any respectability in the block, it is
in Bennett Street.
The block are worse than outside, being in a
colony by themselves, & more clamorous (R.C.)
They are mostly loafers who do an occasional
day's work, when there is no money.
There are some excellent workers in regular work,
these are the brick masons, & who then think themselves
the poor state affected the block; there is less
travel lately than.
no doubt even to Boston.

Baltimore State if there is any had that is worth
that is.
