Very poor shifty lot of people these houses will  
 soon have 3 or 4 families in them - a wretched  
 street built on the refuse of dust bins etc. shot  
 into a swamp originally a water cross bed - whenever  
 an epidemic breaks out, it is sure to find its way  
 to this street - the place stinks through bad drainage  
 it being too low down to drain - now it - none  
 with any thought would live here - the rents are  
 consequently very low considering the size of  
 the houses - 8/6 for 5 rooms & kitchen -
