| <p>Superior street. Houses about \$30 & taxes. The Residents are mainly artisans earning from 30/- to 50/- a-week, with a sprinkling of small employers & clerks. Visitor knows nothing as to families without children, wh. are here inserted haphazard. Probably several houses have single lodgers, & in other cases grown-up children enable a family to keep the house to itself.</p> | | | | | | | | |

 All in this road are fairly well off & some are very well to do. If there be any poverty it is hidden & a good outward appearance is made. Even on the side no better than the odd numbers, some of the latter have been allowed to become dilapidated, & would not let - the empty house on the left are of this kind. They are now being repaired and will soon let - Good wide road.
