General notes. Mr. Survey has been on this district 7 1/2 years. Most of the houses are about 20 years old, & there is no room for any more. Great number of railway men live here it being adjacent to the Midland & North Western Railway depots. These 9 roomed houses are kept in decent repair & fetch from £35 to £40 per annum. They are built for 3 families. Daphne Working school, technically educates about 1000 children for the world, lately held its 125 anniversary, but none of these children trouble Mr. Survey. The streets are wide & fairly healthy.

This visitor's block has been steadily deteriorating for many years. It was formerly an upper class neighbourhood & the numerous "mews" at the back of all the principal streets were used for the carriages of the residents. The "mews" are now occupied by a poor class, the stables being let to shopkeepers, cab proprietors etc.

The main streets are divided between good working class, mechanics etc & the better class of lodging houses which are patronized by professional men, who need a place

revenge themselves by telling the visitors all about each other's children & circumstances.

There is not much active charitable work in the district. A little is done at St. Mary's, & in winter $\frac{1}{2}$ -dinners are given at Solmers Sq. Institute. There are 3 active classes of visitors - Rent collectors, Prudential Insurance agents, ^{every (house)} & School Bd officers - who keep the people lively between them.

A good deal of moving goes on to avoid rent paying & other unpleasant responsibilities, as well as their stress of work. (Seaton St. & Fitzroy Pl. are the worst samples). A great deal

Feb. 13. 90.

Mr. Reiss (50 Lime St.), Secy
of South St. Pancras Committee.

A special characteristic of the
district is the great number
of people who have come down
in the world - the shabby genteel.

Shanet St. & Sandwich St.
are samples of this. C.O.S.
have a great many cases
from here; some extremely poor
& very difficult to deal with.

Charlotte St. & Fitzroy Sq^{ue}
& neighbourhood contains a large
number of broken down artists,
literary men, etc., many of
them foreigners.

prostitutes.

~~Mr V. think it is criminal - few costermongers.
Cardington Street has been taken by the
railway company, who have demolished
the houses & made a new road.
Church way & Wellesby St. rough & poor,
same as Branton Place. Some few
criminals in Wellesby St, with ^{shut, narrow} ~~black~~ ^{black} ~~with~~.
Clarendon Grove is like Drummond
Present - purple.
Clarendon Square - comfortable, like
George Street. Should be pink.
Does not think there is much difference
between Johnson Street, Bridgewater St
Sidney St, if any Johnson St is worst.
All are rough labouring class. Good
many cases.
Charrington St - people let lodgings -
It is the exception to keep a servant.
Mr V. knows of none. Should be pink~~

Had a long interview with these men, who no doubt have colored the district too darkly. Still I have put down all their remarks as they took a good deal of trouble over the map. Referred me to Mr. Clark of Willesden for the poor comes to the North West of B.
